

High-Rise Fire Safety Information For Residents

Scan this QR code or visit rbfrs.co.uk/highrise to find out more high-rise fire safety information from Royal Berkshire Fire and Rescue Service

Royal Berkshire Fire and Rescue Service is committed to ensuring public safety across all building types. We work alongside building owners and Responsible Persons to ensure all high rise residential buildings in the county have been visited and to ensure appropriate fire safety measures are in place.

If you see anything that concerns you in relation to fire safety, in the first instance, you should contact your landlord or building's manager.

In an emergency, always call 999
